2019 is the year of the Bowtie! Dedicated to Mayor Dick Church, Jr., we will celebrate his final year in office after serving the Miamisburg Community for 28 years.

This festive campaign will be carried throughout 2019 in our PLAY Miamisburg Magazine & by the Parks and Recreation Department. Mayor Church will be highlighted in PLAY with the "Bowtie Corner". In addition, look for programs, activities and events containing the Mayor's signature bowtie.

The department is proud to pay tribute to the Man and the office that has done so much for the City of Miamisburg. Mayor Church’s initiatives include the development of the downtown corridor and Riverfront Park, the ecological clean-up of the Mound industrial park and the planning and building of the Sycamore Trails Aquatic Center.

DID YOU KNOW? Mayor Dick Church Jr. was appointed to the Miamisburg Recreation Board in 1967 by Mayor Harold Haklik. He continued to serve on this board as the chairperson until 1980.

Check each PLAY magazine for more information on where to get your collectable bowtie, when to wear your tie and how to win awesome prizes on Facebook, Instagram and at local events!

Miamisburg Community Center Renovations!

The Parks & Recreation Department is excited about the positive changes to the Miamisburg Community Center to allow better service to the community. Our facilities staff have been hard at work updating and modernizing the Center.

The most noticeable change is the fresh coat of paint on nearly every wall in the Center. The color pallet consists of creamy neutrals and modern grays to compliment the new modern décor.

Our fitness equipment has been moved from the basement to a beautiful sunny location in the East Wing, which has updated flooring and a new large picture window (photo 1 & 3). Round tables have been introduced to the West Wing instead of the banquet-style tables to allow the space to be more versatile and are easier to move for any dynamic programming needs. Also, a modern, easy-to-use sound system and projector have been installed in the West Wing as well.

Nearly all fluorescent lighting has been upgraded to LEDs – more energy efficient, and much brighter! The meeting spaces in the Center have also received updates, including new furniture. Office spaces located in the Community Center have been re-assessed, allowing for a childcare room to be introduced which offers a trained professional to provide childcare while parents, grandparents, and other guardians utilize the many programs we have to offer.

This is all just the beginning! More changes are to come… stay tuned!

Meet Dan & Devon Douglas! They have been recognized for taking on volunteer roles as the President (Dan) and Vice President (Devon) of Spring Fest, which will be carrying on the tradition of Spring Fling, the yearly weekend celebration in May.

**How long have Dan & Devon lived in Miamisburg?**

Dan and Devon Douglas (née Brown) have resided in Miamisburg since childhood. Both are graduates of Miamisburg High School and have chosen to keep Miamisburg as their hometown.

**How are Dan & Devon involved in the Community?**

Devon is a full-time student pursuing her doctorate in clinical psychology at Wright State University. Devon is a passionate volunteer for her school and the Dayton Area Psychology Association. She is also a local troop leader for the Girl Scouts of America.

Dan works full time in the local congressional office where he makes frequent contact with community members in many capacities including the Montgomery County Drug Free Coalition which mobilizes volunteers, community groups and area police agencies to combat opioids in the Miami Valley.

**What does the Miamisburg Community mean to them?**

To Dan and Devon, Miamisburg is home. Their work in and around the city is reflective of their gratitude and pride for their hometown. When their friends visit from out-of-town, the couple enjoys taking them to their favorite eateries including Bullwinkles and the Hamburger Wagon, where Devon recounts the historic burger’s role in saving a town during the 1913 flood. Additionally, Dan and Devon are frequent patrons to Miamisburg’s downtown special events at Riverfront Park.

**What made them involved with spring fest?**

The independent organization that carried out Spring Fling decided that the Bicentennial year would mark their last celebration. When Dan and Devon heard the news of Spring Fling ending, they were devastated. The outpouring of similar disappointment on social media prompted them to reach out to the city to start another festival in the springtime. After they met with city event coordinators and completed an application for a 2019 event, Dan and Devon began planning for a new spring festival complete with a parade and various entertainers along with some fresh ideas including a new location at Riverfront Park, expanded carnival and curated craft show.

Meet Carolyn Kilpatrick and Judy Wuerstl. They are proud members of the Monday Night Club which has been around for 125 years, making the Club the oldest continuous literary club in Montgomery County.

What is the origin of Monday Night Club?
Monday Night Club (MNC) began in 1893 as a literary club originally called The Shakespeare Club. Eleven teachers for Miamisburg City Schools came together every Monday night to study Shakespeare to improve their teaching skills. In 1897, the name was changed to Monday Night Club.

What are some of the accomplishments of Monday Night Club?
In the early 1900s, MNC wanted a public library built in Miamisburg so they went through the proper channels of the city to get one built. Andrew Carnegie built the library with his own funds in 1910. One of their members, Clara Schuler, was the first Librarian at Miamisburg Carnegie Library.

In 2018, MNC planned and executed Ladies Day for Bicentennial with sold out activities including a Golf Tournament, Historic Walks, Tea Fashion Show, Quilt Show, Euchre Tournament, and much more!

What long have you been members and what are your roles?
"I have been a MNC member for 45 years and I am currently the Historian." -Carolyn

"I have been a MNC member for 6 years and I am currently the Vice President." -Judy

How many members are currently involved?
There are currently 22 active MNC members and 17 associate members who are a part of the club but aren’t assigned duties such as Treasurer, Historian, etc.

How else are you involved in the Miamisburg Community?
"I worked for Miamisburg City Schools for 45 years and I help with the elementary school programs." -Carolyn

"I am a Heritage Village Coordinator and the Vice President of Historical Society. I also help with the elementary school programs." -Judy

Preparations for the debut of the Miamisburg Dog Park are underway! Mark your calendars for **Friday, June 28, and join us at Community Park** for a formal ribbon cutting ceremony. More details will be available in the next PLAY publication as well as on PLAYMiamisburg.com.

Development of the Dog Park is continuous. This past fall, staff added 700 yards of top soil that was donated by Kingston of Miamisburg and Hillgrove Union Cemetery, then this spring, staff will add 300 yards more of top soil. Additional activity included grading and seeding.

Phase 1, which will open this summer, includes fencing on one acre of land that will be available for small and large dogs. Other amenities include a water fountain for people and dogs, as well as an informational kiosk. Phase 2 will include opening another ¾ acre and pet play equipment.

**The Miamisburg Community Foundation** has adopted the Dog Park as a Signature Project and fundraising efforts are underway. Sponsorship opportunities will be available for organizations or businesses interested. To financially contribute to the project, contact the Foundation at 937.847.6401 or visit www.miamisburgcommunityfoundation.com

**BRING ON THE DOGS!**

**Miamisburg Dog Park Opening Day**

Spring weather means dogs are coming out to play. With dogs comes dog waste. If waste is not correctly disposed of it can become a community health risk and make green spaces polluted.

According to the USDA, the average dog generates 274 pounds of waste per year. Miamisburg Parks and Recreation provides 60 pet waste stations throughout the Community’s parks, neighborhoods, and public spaces. This is one more way Citizens and Parks and Recreation can work together to improve the quality of life and health in Miamisburg!
